# ANNAPOLIS II

*Improving Quality of Life, with Products You Can Trust.*

MCE has strategically partnered with suppliers who contribute by their experience and knowledge to support our vision by incorporating sustainable fabrics and design elements, which utilize recycled and recyclable materials, ergonomic benefits, and superior service life.

Many of the components used in this furniture line meet industry recognized certifications such as LEED (Leadership in Energy and Environmental Design), SCS (Scientific Certification Systems), as well as complying with EPP (Environmentally Preferred Products), FSC (Forest Stewardship Council), SFI (Sustainable Forest Initiative), Green Seal, and other sustainability programs.

Most all of our products have EPP qualities and are manufactured with recycled materials wherever possible. MCE continually strives to reduce our impact to the environment with new and innovative practices and procedures.

## Product Specifications:

### Surfaces

All work surfaces consist of high pressure laminate tops and are 1 3/16" thick, 3-ply construction with a shaped wood edge on all four sides.

### Side, End and Modesty Panels

Exposed veneer surfaces are book-matched to provide proper grain consistency. Drawer fronts are vertical grain and matched in selected sets to insure proper veneer balance. Inside faces of end panels and back panels are random matched.

### Drawers

Drawer sides and backs are solid lumber Maple 7/16" thick. Drawer fronts are 3-ply construction, 3/4" thick. Drawer bottoms are of 3-ply hardwood construction. Drawers are assembled with dove construction in all four corners of the drawer box. Fronts are securely mounted onto the drawer box. Drawer pulls must be specified on pedestals. There are three choices of hardware styles with three finish options. All drawer slides are "A" grade steel ball bearing suspensions. Suspensions are zinc plated and feature cushioned in and out stops. All file drawers have 100% opening.

### Bookcases and Storage Cabinets

All units include adjustable shelves.

### File Cabinets

File drawers use an easily adjustable filing system which can be positioned to accommodate letter or legal filing. Two, three and four drawer lateral files have a central locking device and anti-tip mechanisms.

### Finish

All surfaces have a water-borne finish to insure maximum durability, chemical resistance, color retention, and clarity. Drawer interiors and exteriors are finished with sealer, sealer sand, and varnished. There is a choice of four wood color selections.

### Accessories

Wire Management – The U-shaped units comes standard with 3 grommets which are located on the desk, bridge and credenza. The L-Shaped desk unit comes standard with 2 grommets which are located on the desk and return. Additional grommets are optional in a variety of locations.

### Tack Board

Available for Hutch #115A2H4SVDU. Color: Black.

### Articulating Keyboard Tray

Tray moves forward and backward, up and down, tilts and swivels to the desired angle. One mouse platform is included. An additional mouse platform may be purchased separately. Installation is available for an additional fee. Color: Black.
